

## BULLETS TRACK CLUB & THE MTA 2017 INDOOR CHAMPIONSHIPS

Great day for the Bullets! We have 3 new Provincial Champions! Jelani, Charlize and Jilli all were gold medalists in this weekend's 60m Finals. Jelani also added a Shot Put Gold, Harley also won a Shot Put Gold.

Ariel, Desmond, Daniel and Devisha also had great days, performing well and setting new standards in their 60s, Long Jump and Shot Put. Proud of you all!

On Day 2, the Bullets were flying all over the track. We had 8 athletes competing and they all did great. They ran and jumped further than ever, bringing home 4 new Provincial Titles, a Silver Medal and lots of very good performances.

One of the most inspiring performances of the meet came from Devisha on Day 2. During her 60m Hurdle Heat Devisha hit a hurdle and fell hard. But she got up, shook the dust off and finished the race at full speed. Devisha missed the finals by only 2 hundredths of a second! She finished 9th, even after falling. So proud she refused to give up. Great job kiddo!

There were 44 Teams at the MTA Indoor Championships. Our little team of 9 athletes placed 6th overall in total points. WOW! Now that's quality!
